To Whom It May Concern:

I write to introduce you to the City of Ontario and to encourage you to consider it as a potential site for the California Hispanic Chamber of Commerce's (CHCC) 37th Annual Statewide Convention. As the city's representative in Congress, I believe that Ontario possesses the economic and cultural environment that would make it an ideal location to host the event.

I am aware that the CHCC is a leading advocate for Hispanic businesses in state government and plays an instrumental role in organizing Hispanic firms throughout California. It is for this reason that Ontario would be an exceptional location for the statewide convention. Ontario is home to thousands of Hispanic-owned businesses that are essential in maintaining the region's growing economy. Throughout the years, the city has fostered a thriving business community that supports a variety of industries. It is home to both small businesses and large, multinational companies that provide goods and services to communities throughout America. Furthermore, with help from its international airport, Ontario has become a significant hub for logistics operations. All of these aspects are supported by an active Hispanic community who, I believe, will benefit from hosting your organization's statewide convention and will help make the statewide convention an event greater success.

The Inland Empire is proving itself to be a dynamic part of California's post-recession economy. Each year, thousands of firms specializing in logistics, manufacturing, and distribution services are choosing to establish operations in the area. This is benefiting the large Latino population that resides in the Inland Empire. With this in mind, I believe that it will be advantageous for the region to have business leaders convene in Ontario in order to fully understand what the region has to offer. In doing so, many underrepresented minority communities will gain exposure to their thriving enterprises, which would embody the CHCC's organizational objective.

As you consider site locations, we urge you to provide full and fair consideration to Ontario in accordance with applicable law. Thank you in advance for considering the City of Ontario as a potential site for the CHCC 37th Annual Statewide Convention. If you have any questions, I urge you to contact Dara Postar of my staff at (202) 225-6161.

Sincerely,

Dear Mr. Martinez,

On behalf of the City of Ontario, this letter is being sent to support the Ontario Hispanic Chamber of Commerce (OHCC) to host the 2016 California Hispanic Chambers of Commerce Annual Statewide Convention in the City of Ontario.

The City of Ontario has a good working relationship with the OHCC and we believe, through our established partnerships, that we will successfully assist and promote next year's state convention. Additionally, the City of Ontario is an ideal place with its close proximity to Ontario International Airport, high brand hotels and our event-friendly convention center.

We look forward to welcoming the California Hispanic Chambers of Commerce to Ontario in 2016.

Sincerely,

Paul S. Leon
Mayor

**Dear Board Members
California Chambers of Commerce:**

I am pleased to speak to you in order to refer the 2016 Annual Convention of the California Hispanic Chambers of Commerce. In this matter, we would like to ask for your support that the Convention can be held in the city of Ontario, California. I have no doubt that the California Hispanic Chambers of Commerce will be exceptionally pleased with the results.

The City of Ontario in the region of Inland Empire is considered the ideal venue because has all the facilities to host this type of events. The city has easy freeways access, the Ontario International Airport and within five to ten minutes from many national hotel chains, all within walking distance of the Ontario Convention Center as well as many local attractions.

I want to highly recommend the Ontario Hispanic Chamber of Commerce as the hosting chamber, because as it celebrates its sixteenth year adding tremendous value to the Hispanic business community, it has the full support of the Guatemalan Consulate in San Bernardino that has collaborated and sponsored many activities with the Ontario Hispanic Chamber of Commerce.

Re: Ontario Hispanic Chamber of Commerce host for the 2016 CAHCC Annual Convention

Dear CAHCC Board of Directors:

It is with great enthusiasm to write a letter of recommendation on behalf of the Ontario Hispanic Chamber of Commerce to serve as the host for the 2016 CAHCC Annual Convention.

The City of Ontario maintains a Hispanic cultural population in excess of 60% with a multitude of Hispanic owned businesses within the city itself and its surrounding neighbors. The current population exceeds well over 170,000 and is centralized in the middle of San Bernardino County with Los Angeles, approximately 30 minutes away and Big Bear for those that enjoy skiing also 30 minutes away.

Ontario is a key location of transportation for various industries who utilize the Ontario International Airport for business, or personal travel. Further, it is home to several manufacturing industries, the most notable of which are Maglite. Its economy is dominated by service industries and warehousing. Major distribution centers are operated by companies such as AutoZone, Cardinal Health, MBM, Genuine Parts/NAPA, Nordstrom, The Icee Company, clothing companies Famous Stars and Straps and Shiekh Shoes, and Phoenix Motorcars.

It is also the home of the Ontario Mills Mall, the Greater Ontario Convention Center and a multitude of diverse restaurants to choice from perfect for your dinning pleasure.

With its rich commerce history and all that Ontario sustains it is clear that the Ontario Hispanic Chamber of Commerce would be ideal to serve as the host for the 2016 CHACC Annual Convention placing the convention in the City of Ontario.

Sincerely,

Pat Dominguez, M.A.

To Chairman, Frank Montes and the Board of Directors

As President of the National Latina Business Women Association-Inland Empire (NLBWA-IE) and voted by the Board of Directors 10/13/15, we recommend the CAHCC to conduct the 2016 CAHCC Annual Convention in the City of Ontario.

It is with great pleasure and excitement to have the CAHCC Convention in the Inland Empire. This will absolutely bring value to our Small Businesses. The convenience of having the Ontario Airport for the members is extremely important. Bringing a well-attended and successful Conference will create positive media news for the Latino community especially in these Election months.

The City of Ontario has been a fruitful valley in the past and is now fruitful from the strength and efforts of its people. With a vision to promote harmonious diversity and economic prosperity, Ontario is a diligent community with resilient citizens leading, testing the limits of progress. The residence and Small Business owners will now as always welcome visitors from neighboring cities and the State of California to it's home.

Sincerely,

Cecilia Bolbolian

Dear Mr. Montes:

I am writing in support of the Ontario Hispanic Chamber of Commerce's petition to host the 2016 California Hispanic Annual Statewide Convention in the City of Ontario.

As the premier minority/ethnic business convention in California, the CHCC State Convention offers participants the opportunity to learn the latest trends in business development, network with outstanding business professionals, and gain insights into growing and maintaining a successful business.

The City of Ontario has emerged as the economic heart of the Inland Empire and was selected as the host of the 2015 California Economic Summit because of the region's growing impact on California's economy. According to recent census data, half of the Inland Empire's 4.3 million residents are Latino, and that number is projected to continue growing.

Welcoming the 2016 CHCC State Convention to Ontario would be an invaluable experience for the thousands of Hispanic business owners in the region to celebrate the educational, political, and economic success of the Hispanic community and gain exposure to valuable resources that can help their businesses thrive.

I strongly encourage the selection of the City of Ontario as the location of your State Convention. If I can be of any further assistance, please do not hesitate to contact me.

Sincerely,

Dear Chairman Montes,

I am writing to you to hardily endorse the Ontario Hispanic Chamber of Commerce, of which I am a member, who is petitioning that the 2016 California Hispanic Annual Statewide Convention be held in the City of Ontario.

The California Hispanic Chamber of Commerce serves as the leading Hispanic statewide business and professional organization promoting the interests of more than 700,000 Hispanic businesses and over 65 local Hispanic Chambers in California.

With the goals of the CHCC Annual Convention to elevate discussion and participation among Hispanic business owners, corporate business leaders, community leaders, and government officials to address issues of relevance to the Hispanic business community, I know that the Ontario Hispanic Chamber of Commerce will do an excellent job in meeting these goals.

I fully give my support to the Ontario Hispanic Chamber of Commerce in their bid to host the 2016 California Hispanic Chamber of Commerce 37th State Convention. I know that they will succeed at providing all the things necessary to give convention participants the opportunity to learn the latest trends in business development, network with outstanding business professionals, and gain insights into growing and maintaining a successful business.
